

## Using the search tool

You can use the “Resource Type” dropdown list, the keyword search, the checkboxes, or all three options for your search. ***The more information you can provide in the search box, the more specific your results will be.***

### Searching using the “Resource Type” dropdown menu:

There are 7 categories listed in this dropdown menu. A description of each category is listed below. If you are looking for resources for a specific purpose, this would be a good tool to use.

**All** – The entire collection of SpeakUp Ontario’s resources on Advance Care Planning (ACP), Health Care Consent (HCC) and Goals of Care (GoC).

**Education/learning** – Resources on HCC, ACP and GoC for your own education and growth.

**Examples/Repository** – A collection of resources reviewed and endorsed by HPCO’s HCC ACP CoP Leadership team.

**Presentations/Teaching** - Resources to help educate other Health Service Providers on HCC, ACP and GoC.

**Promotion/Awareness** –Resources that can be used to educate the general public on HCC, ACP and GoC.

**Support/CoP** – Information about HPCO’s HCC ACP CoP and how it can support you in ensuring your HCC ACP and GoC practices are compliant with Ontario law.

**Toolkit/Resources** – Resources designed to assist you with a preliminary self-review of your HCC ACP documents, resources and policies to ensure Ontario compliance.

### Searching using the keyword search option:

Any document with a title that contains that the word(s) typed in the keyword search box will appear.

### Searching using the checkboxes:

Use the checkboxes to identify the preferred format and/or language of the resource.

Note: The “hardcopy” checkbox refers to physical copies of our resources available for purchase. For more information see our [order form for English language resources](#) or our [order form for French language resources](#)
