Step 4:

Utilizing the HCC ACP Ontario Tool-Kit. The tool-kit includes:

- a. [Summary of Key Themes and Common Errors](#) – Do your ACP materials comply with Ontario Law? You may be surprised! Following these suggestions and recommendations and avoiding these common pitfalls will result in much stronger resources that are reflective of the Ontario legal landscape.
- b. [Leadership in Advance Care Planning in Ontario](#) – Advice on best practice in Health Care Consent and Advance Care Planning, including a list of resources supporting best practice.
- c. [Screening Guideline For HCC and ACP Materials](#) – The screening guidelines used by the Community of Practice when reviewing materials.

Step 5:

Connect with a HPCO HCC ACP Community of Practice Regional Champion. Regional Champion representatives are trained experts in HCC ACP in Ontario. Volunteer champions exist across each LHIN area and have a lead role in helping to promote, support and implement HCC ACP activities within their geography. To find the Regional Champion in your LHIN, [click here](#)

Step 7:

Join HPCO's HCC ACP Community of Practice (CoP) Broad Membership. The CoP Broad Membership is made up of healthcare practitioners and administrators, caregivers, policymakers, researchers, educators, and community leaders who are interested in coming together to exchange information and promote HCC ACP in Ontario. These CoP members make a commitment to support and learn from one another and to enhance their knowledge to advance HCC ACP in Ontario.
