

Invitation

Dear HPCO Compassionate Communities Community of Practice Member:

We are inviting you to complete a short online survey to provide feedback on a definition and description of existing Compassionate Communities in Canada. As a Compassionate Community Champion, we want to make sure the description reflects your work in this area. Your feedback will help inform the development of an evaluation toolkit that can be used by Compassionate Communities' Champions in Canada like yourself. The evaluation framework and tool will be developed through a partnership project between [Pallium Canada](#), [BC Centre for Palliative Care](#) and [Hospice Palliative Care Ontario](#).

The project timeline is as follows:

Project Milestones	Due Date
1. Pan-Canadian agreement on a definition for Compassionate Communities in Canada	July 31, 2019
2. Evaluation framework developed	1 year after milestone 1
3. Evaluation toolkit developed, disseminated and accessible to end users	1 year after milestone 2

For more information about the project please refer to the Project Overview. This survey is anonymous and should only take 5 to 10 minutes to complete.

Please make sure to complete the survey before it is closed on **Sunday, June 30, 2019**.
